Villa in Costa daen Blanes

4	4	400m²	1,091m²	✔

This new and attractive villa of contemporary architecture enjoys an elevated position in Costa d'en Blanes with panoramic sea views of Palmanova bay and the Puerto Portals marina. The villa has been carefully planned in order to take maximum advantage of its large, wrap-around terraces, double pool and generous outdoor space. The interior connects harmoniously with the exterior to a natural flow between the areas with many chill out corners. The ground floor offers a large open-plan living and dining room with an adjacent fully equipped kitchen and a superb terrace for al fresco dining. Additionally, there is a guest bedroom and a bathroom on this level. On the first...(Ask for More Details!)
