Welcome to your new home! This exclusive villa in Mallorca combines modern design, thoughtful architecture, and high-quality fittings to create a unique living experience. The property impresses not only with generous living space but also with numerous details that make life more enjoyable and comfortable. The heart of the house is the bright, open living area with an adjoining designer-built kitchen, equipped with high-end Siemens appliances and an integrated drinking water filter. Large windows ensure a light-flooded ambiance and harmoniously connect indoor and outdoor spaces. In total, the villa offers five spacious bedrooms and four stylish bathrooms, all completely renovated. Fitted with Villeroy & Boch washbasins and underfloor heating, they...(Ask for More
