If you love historical properties and homes with a Heart then this renovation project is for you. This centrally located townhouse is on an immense plot which could be created into a magical garden with the possibility for installing a swimming pool. This 3 storey house with a private 3 car garage is steeped in history with beams, tiles, doors and windows in an original, but well kept condition. It is private, peaceful and walking distance to all the amenities that the town of Andratx has to offer, and just a 5 minute drive to Port Andratx. If you appreciate traditional qualities and want to...(Ask for More Details!)
