Luminous flat with terrace and unobstructed views in Palma. Located on the fourth floor of a building without a lift, this spacious flat offers a comfortable and functional layout, ideal for families or those looking for space and natural light. Upon entering, we find an entrance hall which gives access, on the right hand side, to an independent kitchen with access to a small interior terrace which houses the laundry area and a practical storeroom. To the left of the entrance hall there is a spacious and bright living-dining room with a large window and direct access to a pleasant terrace with unobstructed views over Palma, perfect for relaxing or enjoying...(Ask for More Details!)
