This exquisite house has been entirely rebuilt by a professional architect, showcasing premium materials and an outstanding design. The ground floor boasts a spacious living and dining area that seamlessly opens to the garden and pool, a modern and expansive kitchen with a cozy sitting area, two bedrooms with en-suite bathrooms, a large laundry room, and a garage with space for two cars. On the first floor, you'll find five well-appointed bedrooms, three of which feature en-suite bathrooms. The master suite includes a luxurious walk-in closet. The second floor offers a 32m² tower room with its own bathroom, perfect for use as a workshop, studio, or gallery. The property is...(Ask for More Details!)
