This rustic Finca is located just minutes from the traditional and charming village of Pollensa. The currently existing building extends over two floors in Mallorcan style made of stone. Through an extension and extensive renovation, a dreamlike finca can be created here. The village of Pollensa as well as the harbour with a selection of recommendable restaurants and all facilities for daily needs can be reached in less than 10 minutes by car. Cala Sant Vicente with its beautiful sandy beaches is also only a few minutes away. Do not hesitate to contact the FIRST MALLORCA Pollensa team for more information.
