A rare opportunity to acquire a distinguished city Palace located in the very center of Lluçmajor, with an exceptional position wall-to-wall with the town's iconic cathedral. Built in the 19th century, this elegant residence spans 1,045 m² of built area on an 850 m² plot, offering a generous layout with immense character and historical charm. The property is structurally sound and retains many original features, including a traditional vine cellar, timeless architectural details, and high ceilings throughout. While it requires modernisation and attentive care, it presents an ideal canvas for restoration into a grand private residence, boutique hotel, or cultural venue. Outside, the "Palacete" is complemented by a spacious, mature...(Ask for More Details!)
