Land a Plots in Alcudia

1	0	N/A	270,046m²	N/A

The building plot of approx. 270. 000sqm is situated in an excellent location of Alcudia and offers views of the bay of Puerto Alcudia. It already has a building permit for the construction of an approx. 500sqm property with pool. The plot is completely fenced and also offers a private wooded area. Puerto Alcudia belongs to one of the most popular places in the north of the island of Mallorca. Especially the long sandy beach is very popular. The harbour also offers a variety of recommendable restaurants, shops and facilities for daily needs. The old town with its small, charming alleys invites you to take a nice walk and extends...(Ask for More Details!)
