Villa in Javea

4	3	350m²	1,000m²	✔

Under-Construction Villa with Prime Location and Endless Potential Situated in the prestigious and peaceful enclave of Tosalet 5 in Javea, just minutes from the popular Arenal beach, this newly built contemporary villa offers a rare combination of architectural elegance, energy-efficient technology, and the unique opportunity for full customisation. Set on a gently elevated 1,000 m² plot, the property enjoys panoramic views of both the Mediterranean Sea and the Montgó mountain range, providing a tranquil and inspiring backdrop throughout the year. The home spans two levels and features 4 spacious bedrooms, 3 bathrooms, and an additional guest toilet. With a total built area of 350 m², including over 198 m² of...(Ask for More Details!)
