Country House in Consell

4	**6**	**390m²**	**14,500m²**	✔

This magnificent newly built property, distributed over a single floor with a large basement, is located on a plot of almost 15,000 m², offering an unparalleled living experience in a peaceful and natural setting with views of the Sierra de Tramuntana mountains. The villa will have four spacious bedrooms, three of which have en-suite bathrooms. The modern kitchen integrated with the dining room will be the heart of the home, ideal for enjoying both family meals and gatherings with friends. The spacious living room, with large windows facing the mountains, will offer a bright and welcoming atmosphere, perfect for relaxation and entertainment. The property has a large garage with space...(Ask for More Details!)
