This exclusive property is part of a very limited collection of only six private apartments within a frontline complex in Illetes, one of the most sought-after areas in the southwest of Mallorca. The south-facing apartment offers 72m² of well-distributed interior space, as well as a generous 19m² covered terrace opening onto the deep blue Mediterranean. With two bedrooms and two bathrooms, its bright and open layout creates a relaxed and welcoming atmosphere all year round. During the resort's active season, owners enjoy complimentary access to all on-site amenities: indoor and outdoor pools, spa, gym, beautifully maintained gardens, 24-hour security, and more. Direct sea access is available from within the complex,...(Ask for More Details!)
