Villa in Costa daen Blanes

5

4

350m²

1,185m²

This property is for short term rental only - July and August will not be rented. A superb opportunity to acquire a villa enjoying superb sea views in the sought after residential area of Costa d'en Blanes just above the fashionable marina of Puerto Portals and only a short drive to Palma city centre and the airport. The property constructed in 1971 is built on two levels on an elevated plot of 1. 185 m2 with a good distribution. The living room with fireplace and dining room open directly onto the terrace and swimming pool area, and have a wonderful view to the sea. On the upper level there are...(Ask for More Details!)
