Duplex for sale in Inca completely renovated. This penthouse duplex apartment for sale is located in the heart of Inca. It is located in a quiet building, without an elevator, and enjoys an excellent location in the heart of Inca in the historic area surrounding the theatre and central plaza. Close to all services and with easy access to the public transportation, shops, restaurants and leisure areas of the town. Inca is going through a period of rapid redevelopment with both investment from government and investors. This is a great opportunity, ideal for those looking for comfort and a good location in a town with raising property prices and improvements...(Ask for More Details!)
