400m²

250,000m²

Great property from the 15th century in Escorca on a plot of approx. 250,000m². Fantastic property with approx. 400m² constructed area, which is spread over two floors in the following rooms: On the ground floor a great entrance area, an open kitchen, a living-dining room, two bedrooms and another fireplace room which can easily be converted into another bedroom. Upstairs there is a living room, three bedrooms and two bathrooms. The property is also characterized by its 6 chimneys. The architecture is traditionally rural, with thick walls, arches and floors in the Mallorcan style. The ceilings are provided with exposed oak beams and the Arab tile roof. The property is...(Ask for More Details!)
