279m²

442m²

At the end of a quiet cul-de-sac, in a privileged location in Campanet, this extraordinary property awaits you with an unparalleled panoramic view – from the Mediterranean and the island's center to the majestic Tramuntana Mountains. The charming church of Campanet is also directly in view, giving the panorama a very special touch. The house impresses with its generous design, offering approximately 279 m² of living space spread over two levels, and stands out due to its excellent construction quality. The current owner is also the first occupant – a sign of the special quality and care of this residence. On the ground floor, a representative entrance area leads into...(Ask for More Details!)
