Unique opportunity for someone who would like to own a fully functioning restaurant that is well known on the island, that has a large annual turnover, local residents who have been dining since it opened and the availability to live in the beautiful three bedroom two bathroom apartment above the restaurant. The restaurant has total dining space for around 100 guests, a fully equipped industrial kitchen with fridge, 2 hobs, 1 hotplate, industrial dishwasher, 3 ovens and plenty of storage space. In the dining area they have also created a space for the future buyer to do a show cooking for the clients if desired with also hobs, storage and...(Ask for More Details!)
