We are delighted to present exclusively this truly exceptional 3 bedroom Modernised Baron Villa for sale on Mar Menor Golf Resort. Set on a desirable corner plot with a south-east facing garden and a generous private swimming pool, this is a Baron villa that has been transformed to a level we simply do not normally see on the resort. If you are familiar with the Baron design, forget what you already know. The current owner has completely reimagined this property, creating a much more open, luxurious and contemporary home while making clever use of the generous proportions that make the Baron such a popular villa style...(Ask for More Details!)
