This elegant Mediterranean villa on Mallorca's southwest coast offers incredible views and top-level comfort just minutes from the beach. The home spans 2 levels with bright, open spaces and large windows framing breathtaking sea views. The main living and dining area flows seamlessly onto terraces and the pool, blending indoor and outdoor living. The villa features three bedrooms with en-suite bathrooms, a guest WC, and modern amenities including gas under floor heating and built in air conditioning for year-round comfort. The highlight is the spacious terrace with a heated saltwater pool—perfect for swimming, relaxing, or entertaining while enjoying uninterrupted views of the Mediterranean.
