This attractive multi-family house, within walking distance of Bassa Nova and Cala MarÃ§al, offers versatile possibilities. The recently completely renovated and modernized apartment on the first floor features three bedrooms, a bathroom, and an open living area with a fireplace that connects directly to the kitchen. In addition, there is a separate guest studio with a bedroom, bathroom, and living kitchen. The apartment also includes two balconies, a spacious front terrace, and exclusive use of the rooftop terrace. Furthermore, the property has a small separate guest studio with one bedroom, a bathroom, and a living kitchen. The ground-floor apartment comprises two bedrooms, a bathroom, and an open living area with...(Ask for More Details!)
