This property is located less than 10 minutes walk from Paseo Mallorca and Santa Catalina, with all services within reach. From the moment you enter this apartment you will be impressed by the amount of light. There is nothing better than a property with light and excellent orientation. The two terraces also allow you to choose shade or sun at different times and seasons. One terrace faces the kitchen and is covered, the other faces the living room and is completely glazed so it can also be used in the winter months. In the summer months it is possible to open it completely. The property is completely renovated with a...(Ask for More Details!)
