154m²

N/A

Completion date June 2028 This exclusive residential development is located in a privileged hilltop setting in Finestrat, part of the picturesque Valencian Community in Spain. The elevated position offers breathtaking panoramic views of the Mediterranean Sea and the charming town of Finestrat, creating a tranquil and scenic environment ideal for those seeking both privacy and proximity to the coast. The available top-floor penthouse, scheduled for completion in 2025, is a south-facing atico offering a total built area of 154 square meters. It includes a 21 square meter terrace and a spacious 66 square meter private solarium, designed for outdoor enjoyment and relaxation. The layout features two large bedrooms...(Ask for More Details!)
