The flat is located in one of the most sought-after areas of Palma. From the Tennis Mallorca area, you can easily reach the centre of Palma, either through the emblematic Santa Catalina neighbourhood or along the famous Paseo Marítimo promenade. It is also very close to Bellver Castle, allowing you to enjoy its natural surroundings. In short, it is a central yet quiet area, very close to all the amenities you could need: restaurants, public transport, leisure facilities, shops and schools. The property, with a floor area of 146 m², has been completely renovated. Very bright due to its south-west orientation, it is located on the sixth floor with a...(Ask for More Details!)
