This high-quality new development, consisting of a total of four modern townhouses, is being built in a well-connected location, close to a park, in Son Espanyolet. At the center of attention is the corner house, which offers a built area of approximately 185 m², including a basement of around 72 m². On the ground floor, there is the master bedroom with en-suite bathroom, an open-plan kitchen with living and dining area, and direct access to the terrace and private pool area. On the first floor, there are two additional bedrooms and a shared bathroom. From here, you can access the roof terrace, providing extra outdoor space and beautiful views.
