This high-quality new development, consisting of a total of four modern townhouses, is being built in a well-connected location near a park in Son Espanyolet. At the center is House B, one of the three identical townhouses. It offers a built area of approximately 196 m², including a basement of around 79 m². On the ground floor, there is the master bedroom with en-suite bathroom, an open-plan kitchen with living and dining area, and direct access to the terrace and private pool area. On the first floor, there are two additional bedrooms and a shared bathroom. From here, you can access the roof terrace, providing extra outdoor space and beautiful...(Ask for More Details!)
