194m²

1,285m²

Charming Renovation Project in Albir – Approved Plans, Ready to Start Located in the heart of Albir, this property presents a rare opportunity for buyers or investors seeking a high-potential renovation project. The existing house, originally built in 1975 and refurbished in 2025, sits on a 1,285 m² plot with 194 m² of built space on one floor. It currently features 3 bedrooms, 2 bathrooms, 1 guest toilet, air conditioning, parking for two cars, and boasts mountain views, a private pool, and a garden. The property comes with fully approved architectural plans to expand and transform it into a modern villa with an additional floor. The proposed layout includes...(Ask for More Details!)
