Country House in Alcudia

4	7	715m²	16,717m²	✔

Exceptional country estate in Alcudia, Mallorca, set on a large private plot of 16,717 m². This property masterfully blends modern architecture with traditional Mallorcan charm, using natural materials such as Binissalem limestone, oak, and Iroko wood. The structure is already completed, and the property will feature a lush Mediterranean garden with native plants, spacious terraces, and a private saline pool - all designed for sophisticated indoor-outdoor living. The residence offers expansive views of the Sierra de Tramuntana mountains and the Bay of PollenÃ§a, with a west-facing orientation ensuring spectacular sunsets. The total built area of 715 m² includes the main house, a separate guest house, and extensive outdoor spaces that...(Ask for More Details!)
