This perfectly renovated house with a pool and garage, completed in August 2025, is now available for a new owner. It could be you and your family. The house is built on stilts, ensuring a secure and watertight structure. Upon entering, you'll discover numerous covered terraces, an outdoor kitchen and poolside bathroom, ample storage space, and a lockable garage with room for one car and tools. Upon entering, a grand staircase leads to the spacious living room and open-plan kitchen-diner, which leads out onto a large terrace. To the left of the staircase, you'll find a guest bathroom and three bedrooms, each with a small balcony/terrace. Of these three bedrooms,...(Ask for More Details!)
