On this rustic plot of 32,467 m² one can construct his dream property with approximately 300 m² plus a basement. The plot is located above the town of Capdepera in the north east of Mallorca in a lovely traditional village, only a five minutes walkin to the town square with all amenities nearby. It enjoys panoramic views, total privacy and it has an own well and mains electricity, which completes this offer. The plot has not yet obtained a building permit, it still needs to be applied from the buyer.
