This generous building plot is located in Costitx, between Inca and Sineu in the centre of Mallorca. Currently, there is a casita and own vines on the property. The present project allows the extension to a dreamlike finca over two floors with pool. Hereby a constructed area of approx. 296 sqm with four bedrooms, four bathrooms, a generous living/dining area, a kitchen with space for a cooking island as well as an own bodega can be created. The floor plan of the current project can of course be adapted to your own ideas before it is submitted to the town hall for approval. The outside area offers a...(Ask for More Details!)
