This villa has been thoughtfully designed on a single level, ensuring a seamless living flow and optimal accessibility. The expansive living area impresses with extraordinary design and generous proportions. The open space reflects the elegance of the rotunda above and is enhanced by soaring ceilings with exposed wooden beams. Several lounge areas with a striking fireplace invite you to relax, while the spacious dining area and the custom-made Leicht kitchen with Miele appliances and a central island combine style and functionality to perfection. Floor-to-ceiling doors open the interior seamlessly to the sun-drenched terraces, leading to a private swimming pool – a harmonious blend of indoor and outdoor living.
