3

360m²

10,127m²

This traditional finca near the village of Son Mesquida is set in an idyllic countryside location on 10,127 m² of land surrounded by typical stone walls. The building dates back to the 18th century and impresses with its strong brickwork and classic ceiling beams. On a constructed area of 619 m², the property has 5 bedrooms, 4 bathrooms and 3 living rooms. Features include oil central heating, air conditioning in the bedrooms and 2 fireplaces. In addition, there are 2 garages and a covered barbecue area, perfect for dining al fresco. The property enjoys absolute tranquility and privacy. The villages of Campos and Felanitx can be reached in 10 minutes...(Ask for More Details!)
