This detached house, built in 1964, offers 370m² of built area (308m² usable) on a plot of 850m². Spread over two floors, it features four spacious bedrooms and three bathrooms, giving you plenty of room to realize your vision through renovation. The property includes a terrace and a balcony, perfect for relaxing or enjoying outdoor views. Inside, built-in wardrobes provide practical storage, and a dedicated storeroom (trastero) adds even more flexibility. Although the house is second-hand and in need of refurbishment, its solid structure and generous layout make it an excellent investment opportunity, whether you're planning to renovate it for personal use or for resale. The large plot gives room...(Ask for More Details!)
