In the very heart of Porreres rises this newly renovated gem: an elegant Mediterranean retreat where every detail blends authenticity with comfort. The property offers 137 m² of interior space across two levels, complemented by two private terraces that extend the outdoor living experience. On the ground floor, the open-concept design brings together kitchen, living area and patio in a warm, modern atmosphere. The generous entrance can serve as a garage or be transformed into additional living space—creative studio, office, gallery—you decide. A guest toilet and a practical storage room complete this level. Upstairs, you'll find two bedrooms with modular ensuite bathrooms, soaring ceilings, exposed wooden beams and, in...(Ask for More Details!)
