520m²

3,511m²

Elegant Villa in the Sierra with Bay Views, Guest Apartment, and Expansive Garden This exceptional villa offers a total built area of 510 m² and sits on a combined plot of approximately 3,600 m², which includes two separate plots (107 and 109), each with its own electric supply. The lush garden extends all the way down to the road below, where there is a secondary entrance and an additional parking space conveniently built into the plot. Upon entering this peaceful 3,600 m² estate nestled in the Sierra, you're immediately welcomed by the serene sound of birdsong and the fragrant scent of jasmine as you pass through a charming plant-covered...(Ask for More Details!)
