This semi-detached chalet is part of an exclusive community of 30 homes that share a large swimming pool and communal areas. With 240 m² of constructed area and 150 m² spread across four terraces, this property offers tremendous potential for investment and renovation. It is divided into four floors and includes a private garage with space for two cars. Its location is unbeatable: just steps away from schools, shops, hospitals, sports centres, the iconic Pueblo Español, and only a 5-minute drive from Palma city centre. The home stands out for being very bright, spacious, and versatile—ideal both for living and for renovating to increase its value. A unique opportunity in...(Ask for More Details!)
