This exceptional building plot is located in one of the most sought-after and exclusive residential areas of Nova Santa Ponsa and covers an area of approximately 875 m<sup>2</sup>. The privileged, slightly elevated location offers impressive, unobstructed panoramic views of the sea and underlines the special appeal of this property. A detailed construction project is already available and the corresponding building permit was recently granted. The design was created by a renowned and experienced project developer and meets the highest architectural and quality standards. The plan is to build a modern, light-flooded villa with a generous living area of approx. 306 m<sup>2</sup>. The well-thought-out room concept combines contemporary design with high...(Ask for More Details!)
