Villa in Denia

3	2	201m²	600m²	✔

This beautifully renovated Ibicenco-style chalet was completely refurbished in 2022 and offers a rare combination of privacy, versatility, and views. The property is arranged over two floors, each configured as an independent apartment, making it equally suited as a spacious family residence or as a turnkey opportunity for holiday rental income. Outside, the property features a private pool, mature garden, and a barbecue area ideal for outdoor entertaining, along with parking for two vehicles. Set at the foot of the Montgó mountain, the chalet enjoys year-round sunshine and open views toward XÃ bia and the Mediterranean. Whether you're looking for a permanent home with room for extended family, or an investment...(Ask for More Details!)
