328m²

1,638m²

Luxury modern villa for sale, built to the highest construction standards, offering stunning sea views in the Mascarat area. This exquisite property provides unparalleled privacy and tranquility. With a spacious layout spanning 300m², including a versatile basement beneath the 12x3.5M heated pool, this villa boasts a modern white elevator connecting all levels for effortless navigation. Upon entering, a large garage with floor-to-ceiling windows offers parking for a sizable car, accessible through an electric metal gate. The property is situated at the end of a private driveway on a cul-de-sac, allowing potential parking for additional cars. The garage features built-in storage cabinets and leads to a laundry room...(Ask for More Details!)
