Unique building complex located in the historic centre of Porreres, in need of complete renovation, positioned at the intersection of two of the town's main streets. The property comprises four separate buildings. The main and largest section consists of two buildings that formerly housed a wine cellar, including storage areas, bottling facilities and tanks. This area offers very high ceilings and a largely open-plan layout, allowing for flexible redevelopment options. The adjacent building is a traditional house with a classic layout, including a living room, former kitchen area, bathroom, bedrooms and a patio terrace that connects directly to the cellar. The complex is completed by a large building that was...(Ask for More Details!)
