302m²

This elegant new-build villa combines contemporary design, comfort and a privileged location just 300 metres from the sea. Set on a 302 m² plot, the property offers 205 m² of built surface spread over two floors, with spacious rooms filled with natural light and high-quality finishes. On the ground floor, a modern open-plan concept integrates the living room, dining room, a guest toilet and kitchen into a fluid and bright space, ideal for enjoying the Mediterranean lifestyle. From here, there is direct access to the outdoor patio with a private swimming pool, perfect for relaxing or sharing moments with family and friends. The upper floor houses four bedrooms and three...(Ask for More Details!)
