271m²

807m²

This newly built villa in Moraira, completed in 2025, is situated on an 807 m² plot with a total built area of 271 m² across two floors. The south-facing property features 4 bedrooms and 3 bathrooms, along with air conditioning and underfloor heating. It includes a private pool, landscaped garden, and a garage accommodating two cars, plus additional outdoor parking. The villa offers sea and mountain views, including the Peñón de Ifach, and is sold unfurnished. Playa de l'Ampolla, Moraira's largest beach, is centrally located and easily accessible from most parts of the town. Alicante–Elche Airport is approximately 94 km away, with a driving time of about 1 hour....(Ask for More Details!)
