Penthouse in Paseo Maritimo

5	4	219m²	N/A	N/A

This exceptional penthouse embodies timeless elegance and refined urban living in one of Palma's most sought-after locations. From the spacious south-facing terrace, breathtaking views over the marina unfold, offering a captivating panorama throughout the day. The property is set within a meticulously maintained and representative building dating from the 1970s and was comprehensively renovated in 2020 with great attention to quality and detail. The heart of the penthouse is the impressive approximately 100 sqm open-plan living and dining area, featuring a fireplace and a contemporary open kitchen designed to meet the highest standards. Direct access to the terrace creates a seamless connection between interior and exterior spaces. The penthouse offers... (Ask for More Details!)
