289m²

800m²

Newly built in 2025, this modern south-facing villa sits on a generous 800 m² plot and offers 289 m² built, with 139 m² of useful interior space. Designed on a single floor for maximum comfort and accessibility, the villa features three spacious bedrooms and two bathrooms. The open-plan kitchen flows seamlessly into the living and dining area, creating a bright and airy atmosphere. Large windows and sliding doors connect the indoor spaces to the beautifully landscaped garden, private swimming pool, and outdoor terraces. The property enjoys sea and mountain views, providing a stunning natural backdrop from every angle. Additional features include air conditioning, private parking, and a low-maintenance layout...(Ask for More Details!)
