800m²

2,000m²

Architectural Masterpiece with Sea & Mountain Views in Monte Olimpo, Jávea This spectacular villa is a true architectural statement, blending contemporary design with elegant curved lines to create a unique and timeless facade. Situated on a southeast-facing plot of 2,000 m² in the prestigious Monte Olimpo urbanization of Jávea, the property offers panoramic views of the Montgó mountain, Mediterranean landscape, and the sea beyond. Built in 2025 with 800 m² of constructed area, it combines luxury, scale, and design in perfect harmony. Spanning three levels, the villa is thoughtfully designed to maximize space, light, and views. The ground floor features a grand living area with soaring 4-meter ceilings, a luxurious...(Ask for More Details!)
