Stylish 3-Bedroom Apartment in Denia – Sea Views, Parking, and Garden This apartment development in Denia, built in 2027, offers modern, spacious units with a range of configurations including duplex apartments and penthouses. The apartment in question is 81 m², located on the 2nd floor, with 3 bedrooms, 2 bathrooms, and parking for 1 car, along with a garage. Some units come with sea views, and all include a garden, furnishings, and air conditioning. The interior features lightweight drywall partitioning, with sound insulation (rockwool) and perforated ceramic bricks separating homes. The front door is reinforced and lacquered in white, while the interior doors are also white lacquered, either hinged...(Ask for More Details!)
