This charming estate, with a total built area of 493 sqm, sits on an expansive plot of 18,446 sqm. The main house was renovated in September 2024 and now features a separate, character-filled kitchen and dining area with high ceilings and exposed wooden beams. The spacious living room opens up to one of the highlights of the property: a stunning outdoor area with a covered porch, a sunny chill-out lounge, and a large private pool with a waterfall feature and wave maker â€“ all framed by breathtaking panoramic views extending to the green mountains. Inside, there are four generously sized bedrooms and two stylishly renovated bathrooms. The master suite is...(Ask for More Details!)
