A rare opportunity to acquire a private building plot in a tranquil and highly sought-after location near Llucmajor. A building permit for a 320 m² house with a large swimming pool has been applied for, with approval expected by summer 2026. The plot is fully enclosed by a charming natural stone wall and bordered by protected natural land and forest, offering absolute privacy. Its elevated position ensures peaceful surroundings while still being just a 4-minute drive from the center of Llucmajor. This is an ideal site for creating a luxurious private residence, combining privacy, nature, and convenience.
