A stunning modern Ibiza-style villa built in 2024 in Javea, this property is set on a 799 m² plot with a built area of 180 m² across two floors. Positioned to the south, the villa offers breathtaking sea views and features an elegant infinity pool that appears to flow seamlessly into the Mediterranean. The home includes four spacious bedrooms, each with its own ensuite bathroom equipped with a toilet and shower, plus an additional guest toilet. The design reflects a clean, white aesthetic complemented by warm wooden accents, creating a refined yet relaxed atmosphere throughout. Inside, the open-concept layout includes a sleek modern kitchen and a cozy fireplace, ideal for...(Ask for More Details!)
