Villa in Cala Pi

4	4	311m²	1,600m²	✔

This impressive seafront property offering spectacular 200Âº views over the Mediterranean and a magnificent infinity pool that blends seamlessly with the horizon. The house is fully equipped, partially renovated, and features central gas heating, providing a sophisticated and comfortable atmosphere all year round. Set in a privileged location, it offers several spacious terraces perfect for enjoying the climate and stunning views. One of them, truly unique, is integrated into the natural rock beneath the house, creating an exclusive and atmospheric space right by the sea. Additionally, the villa is located just 50 meters from one of the most beautiful coves on the island. The property ensures complete privacy and includes...(Ask for More Details!)
