406m²

616m²

Spectacular Four-Level Villa in Altea with Panoramic Sea Views This extraordinary residence in Altea offers 616 m² of living space distributed across four levels, combining architectural elegance, contemporary design, and Mediterranean charm. From every corner of the home you can enjoy breathtaking views of the sea, the surrounding pine forests, and the skyline of Benidorm, with sunsets that capture the true essence of coastal living. The interiors of Blanc Altea 19 are designed in perfect harmony with its modern architecture, defined by clean lines, white finishes, sandy-toned flooring, and expansive open spaces filled with natural light. The property features a living area of 405. 29 m², a garage of 66....(Ask for More Details!)
